

# Career Opportunities

**As one of the leading transporters of chemical products, Jo Tankers operate a fleet of 22 vessels trading worldwide.**

**We are seeking applications from Filipino quality Officers of all ranks to join our seafarer base for service on our chemical vessels of 3,500 to 40,000 DWT.**

If you are looking for a change in career direction, then Jo Tankers Phils might be the answer.

## **You will have:**

- Prior chemical tanker experience (IMO I, II, III)
- For Top-4 positions minimum 3 years in rank
- Full STCW certification incl. Chemical / Oil Tanker Endorsements
- An unblemished employment history (we will seek references!)
- Enthusiasm and professionalism

## **In return, we offer the following further benefits:**

- Secure long term employment with a compassionate employer
- Very competitive wages
- Annual seniority increments
- Standby pay for senior officers
- Retirement – Provident fund
- Excellent health insurance for you , while on leave, and your family at home
- Uniform allowance
- Fully sponsored and comprehensive training including refresher training to maintain and improve those skills that you brought to us

All applicants will be subject to a screening process culminating in technical interviews to be conducted in Manila.

If you feel that you can meet our criteria, and that we meet yours, then please contact our office in Manila, The Philippines
